1.21. Evaluation steps

All bids found substantially compliant with the formal criteria under 1.19 Preliminary screening will go through subsequent evaluation as follows:

- a. **Pre-qualification** and eligibility criteria as outlined in the UNOPS technical specifications/statement of work as contained in this ITB are evaluated prior to technical and financial evaluation. When the specifications of the item/s quoted vary in one or more significant aspect/s from the minimum required technical specifications, the bid will not be considered substantially compliant and will not be evaluated further.

For these purposes the bidder shall provide the following documentary evidence:

1.22. Award criteria

Bidders must meet all the mandatory business criteria outlined in Annex C UNOPS technical specifications. The qualifications will be evaluated by UNOPS and bidders determined to have met all mandatory requirements will be considered for award.

UNOPS will award the contract to best qualified contractor whose bid substantially conforms to the requirements set forth in the solicitation documents and offers the lowest cost to UNOPS. UNOPS reserves the right conduct negotiations with the vendor regarding the content of their offer. UNOPS reserves the right to accept or reject any bid, and to annul the solicitation process and reject all bids at any time prior to award of contract, without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders of the grounds for UNOPS action.

1.23. UNOPS right to vary quantities at time of award

At the time the contract is awarded, UNOPS reserves the right to increase or decrease the quantity of goods and related services originally specified in Section 4, Technical specifications, provided this does not exceed the percentages specified in Section 4, Technical specifications and without any change in the unit prices or other terms and conditions of the bid and the bidding documents.
