**CONTRIBUTION OF THE EUROPEAN PROGRES PROGRAMME
AMOUNTS TO 368,000 EUR**

European PROGRES Programme is going to provide mentoring support and professional assistance in business management, bookkeeping, marketing and other services depending on the needs of beneficiaries. Therewith sustainability of business is ensured and it is expected that by the end of 2017 this is going to contribute to at least 80 new jobs for women from 34 local self-governments included in the Programme. Registration of the new enterprises and procurement of equipment will begin in December 2015.
