OF THE TAXPAYERS' REGISTRY

COMPLETION OF THE PROPERTY CENSUS,
ESPECIALLY IN RURAL AREAS

IMPROVEMENT OF TRANSPARENCY AND
INTRODUCTION OF THE TAXATION PROCESS
TO THE PUBLIC

IMPROVEMENT OF THE TECHNICAL CAPACITIES
OF LOCAL TAX ADMINISTRATION

EUROPEAN PROGRES CONTRIBUTION AMOUNT EUR 154,429.32

Within the Call for improvement of taxpayers' registry European PROGRES is providing financial support to local self-governments to engage unemployed job seekers registered with the National Employment Service to register buildings on the territory of the municipality, improve technical capacities of the local tax administration and improve service provision to their citizens by introducing new services on official websites. The project will increase citizens' knowledge of the importance of paying taxes and the method of tax calculation. This will enable local self-governments to improve public finance management and increase budget revenue through tax collection.

No.	LOCAL SELF-GOVERNMENT	PROJECT TITLE	CONTRIBUTION	PROJECT DESCRIPTION
