FOCUS ON PRIORITY AREA

STRENGTHENING CAPACITIES OF AGRICULTURAL PRODUCER GROUPS

USING NEW TECHNIQUES AND TECHNOLOGIES IN AGRICULTURAL PRODUCTION

CONTRIBUTION BY EUROPEAN PROGRES PROGRAMME AMOUNTS TO EUR 80,000

Within the first phase European PROGRES will support capacity building of agricultural producer groups, agricultural cooperatives and associations through organisation of trainings in the area of finance and management, business plan development, marketing approach development, value chain analysis and innovation. The assistance will include a study tour to one of the European Union countries in order to provide participants with an insight into the advances made in different types of farming.

As part of the second phase, the assistance will include training on new production techniques, marketing and sales assistance and procurement of common equipment, which will allow for the usage of new techniques and technologies in production.
