FOCUS ON PRIORITY AREA

CREATING POTENTIAL FOR BUSINESS GROWTH AND ENHANCED QUALITY OF PRODUCTS AND SERVICES THROUGH INTRODUCTION OF INTERNATIONAL QUALITY AND FOOD SAFETY STANDARDS.

CONTRIBUTION BY EUROPEAN PROGRES PROGRAMME AMOUNTS TO EUR 78,495

European PROGRES provides support to the sector of SMEs and agricultural cooperatives in order to implement and obtain certificates or re-certificates for international quality management standards and food safety standards. In this way, the development of 31 small and medium enterprises and one agricultural cooperative is supported by creating potential for business growth and enhanced quality of products and services. The result of these activities will be the introduction of the following international standards: Quality Management Systems (ISO 9001), Hazard Analysis and Critical Control Points (HACCP), British Retail Consortium (BRC), Integrated Management System (IMS), Food Safety Management System (ISO 22000), Good Agricultural Practices Standard (GLOBAL GAP), Food Safety System Certification (FSSC 22000), standard for production and preparation of food in line with Islamic religious practices (HALAL), German standard for production of prefabricated construction materials (RAL GZ-422/1).
