## **29. EVALUATION OF BIDS**

---

To evaluate a Bid, UNOPS shall only use all the methodologies and criteria defined in the ITB. No other criteria or methodology shall be permitted.

All bids found substantially compliant with the formal and eligibility criteria under Article 28, Preliminary Examination, will go through subsequent evaluation as follows:

1. Qualification criteria (if included in Section III: Evaluation Criteria). Only bidders meeting the minimum qualification criteria will be deemed qualified and be evaluated further.
2. Technical evaluation will be conducted to establish substantial compliance, as per criteria included in Section III. When the specifications of the item/s quoted vary in one or more significant aspect/s from

the minimum required technical specifications, or when the bid does not meet the delivery schedule, the bid will not be considered substantially compliant and will not be evaluated further.

3. The prices of bids found to be substantially compliant, will be compared to identify the most substantially compliant bid which represents the lowest overall costs to UNOPS.

After completion of the evaluation but prior to award, UNOPS reserves the right to conduct background checks on the Bidder recommended for award, to confirm the Bidder meets the eligibility, qualifications and technical requirements set forth in this ITB and to reject bidders not deemed to have met such requirements. Bidders shall permit UNOPS representatives to access their facilities at any reasonable time to inspect the Bidder's premises.

### **30. AWARD CRITERIA**

---

In the event of a Contract award, UNOPS shall award the Contract to a Bidder who has been determined as eligible and qualified and whose bid has been determined to be the lowest priced, substantially compliant offer to the Bidding Documents. UNOPS reserves the right to conduct negotiations with the bidder recommended for award on the content of their bid.

### **31. UNOPS RIGHT TO VARY QUANTITIES AT THE TIME OF AWARD**

---

At the time the Contract is awarded, UNOPS reserves the right to increase or decrease the quantity of Goods and/or Services originally specified in Section IV, Schedule of Requirements, provided this does not exceed the percentages specified in **Section IV: Schedule of Requirements**, and without any change in the unit prices or other terms and conditions of the bid and the ITB.

### **32. NOTIFICATION OF AWARD**

---

Prior to the expiration of the period of bid validity, UNOPS will notify the successful Bidder in writing by email or post, that its bid has been accepted. The notifications of award will constitute the formation of the contract. Please note that the Bidder, if not already a registered vendor, will be required to complete a vendor registration process on the UNGM prior to the signature and finalization of the contract.

### **33. SIGNING OF CONTRACT**

---

At the same time as UNOPS notifies a successful Bidder that its bid has been accepted, UNOPS will invite the Bidder, provided the Bidder is successfully registered on the UNGM, to sign the final version of the Contract provided in the Bidding Documents, incorporating all agreements between the parties.

### **34. PERFORMANCE SECURITY**

---

Within the number of days as specified in **Section I: Bid Particulars** of receipt of the Contract from UNOPS, the successful Bidder, if required, shall furnish the Performance Security using for that purpose the Performance Security Form included in Section VI Contract Forms, or another Form acceptable to UNOPS. UNOPS shall promptly discharge the Bid Securities of the unsuccessful Bidders pursuant to Instructions to Bidders Article 18.

Failure of the successful Bidder to submit the above-mentioned Performance Security or sign the Contract shall constitute sufficient grounds for the annulment of the award and forfeiture of the Bid Security. In that event UNOPS may award the Contract to the next lowest evaluated Bidder, whose offer is substantially responsive and is determined by UNOPS to be qualified to perform the Contract satisfactorily.

### **35. PAYMENT TERMS**

---

UNOPS will ordinarily effect payment within 30 days after receipt of the services/goods and on submission of payment documentation unless otherwise stated in **Section I: Bid Particulars**. Time in connection with discounts offered for accelerated payment will be computed from the date of receipt of payment documents by UNOPS. Payment discounts will not be considered in the financial evaluation.

Unless otherwise stated in **Section I: Bid Particulars**, UNOPS will not accept requests from Bidders to make advanced payments on the contract signed, i.e. payments made prior to receipt of goods and/or services.

If so accepted in **Section I: Bid Particulars**, a request from the bidder for advance payment shall be justified in writing by the bidder in its bid. This justification must explain the need for the advance payment, itemize the amount requested, and provide a time-schedule for utilization of the requested advance payment amount. If such request is duly accepted by UNOPS, UNOPS may require the Bidder to submit a Bank Guarantee in the

same amount as the advanced payment, in the form included in Section VI Contract Forms, or another Form acceptable to UNOPS.

### **36. CONTRACT MANAGEMENT**

---

UNOPS will continuously manage the contractor's performance during the entire contract period and will conduct performance evaluation based on Key Performance Indicators (KPIs) or Service Level Agreements (SLA) if so specified in Section IV: Schedule of Requirements.

Except under the circumstances of Force Majeure as described under the UNOPS General Conditions of Contract, if the Contractor fails to deliver any or all of the goods by the date(s) of delivery or perform the services tied to the delivery of goods within the period specified in the Contract, UNOPS may, without prejudice to any or all its other remedies under the Contract and if so stated in **Section I: Bid Particulars**, deduct from the Contract price, as liquidated damages, a sum of the original total Contract price for each day of delay until actual delivery or performance, up to a maximum deduction of 10%. Once the maximum is reached, UNOPS may terminate the Contract pursuant to the General Conditions of Contract.

### **37. PUBLICATION OF CONTRACT AWARD**

---

UNOPS shall publish in its website (<https://data.unops.org>) information regarding the purchase order(s) awarded as a result of this ITB. After publication of the award, unsuccessful Bidders may request in writing to UNOPS for a debriefing seeking explanations on the grounds on which their bids were not selected. UNOPS shall promptly respond in writing to any unsuccessful Bidder who, after Publication of contract award, requests a debriefing.

### **38. OTHER UNOPS RIGHTS**

All information and documents provided to the bidders by UNOPS shall not be disclosed to any third party, except:

- (iv) if required by law, and provided that the bidder has previously informed UNOPS in writing of its obligation to disclose the information or documents; or
- (v) if the information is generally and publicly available other than as a result of breach of confidence by the person receiving the information.

#### **40. ETHICS AND CORRUPT PRACTICES**

---

UNOPS requires that all bidders observe the highest standard of ethics during the entire bid process, as well as the duration of any contract that may be awarded as a result of this bid process. Therefore, all bidders shall represent and warrant that they:

- (ii) have no conflict of interest that would prevent them from entering into a contract with UNOPS, and shall have no interest in other bidders or parties involved in this bid process or in the project underlying this bid process;
- (iii) have not engaged, or attempted to engage, in any Proscribed Practices in connection with this ITB process or the contract that may be awarded as a result of this ITB process.   - Obstruction: Acts or omissions by a Vendor that prevent or hinder UNOPS from investigating instances of possible Proscribed Practices.

In the event that a bidder fails to comply with any of the above representations and warranties, UNOPS shall have the right to reject the bid submitted by such bidder, and to terminate any contract that may have been awarded as a result of this bid process immediately upon notice, without any liability for termination charges or any other liability of any kind of UNOPS. In addition, the bidder may be precluded from doing business with UNOPS and any other entity of the United Nations System in the future.

#### **41. AUDIT**

---

UNOPS may conduct investigations relating to any aspect of the Contract award at any time during the term of the Contract and for a period of three (3) years following the expiration or prior termination of the Contract. The Contractor shall provide its full and timely cooperation with any such inspections, post-payment audits or investigations. Such cooperation shall include, but shall not be limited to, the Contractor's obligation to make available its personnel and any relevant documentation for such purposes at reasonable times and on reasonable conditions and to grant to UNOPS access to the Contractor's premises at reasonable times and on reasonable conditions in connection with such access to the Contractor's personnel and relevant documentation. The Contractor shall require its agents, including, but not limited to, the Contractor's attorneys, accountants or other advisers, to reasonably cooperate with any inspections, post-payment audits or investigations carried out by UNOPS hereunder.

#### **42. BID PROTEST**
